FMCSA ELDT COMPLIANCE

This provider is listed on the FMCSA Training Provider Registry (TPR) for ELDT theory entries only (TPR ID f762edba-9693-4866-8328-f116dc01456c). The student's theory completion is submitted to the TPR within two business days of completion, and the submission date is shown above.

This certificate documents ELDT theory instruction only. It is not a Commercial Driver's License (CDL) or a Commercial Learner's Permit (CLP), and it does not authorize operation of a commercial motor vehicle.

BEHIND-THE-WHEEL TRAINING • STATE LICENSING

Behind-the-wheel (BTW) training is not provided by CDL Compliance Now and must be completed separately with a provider listed on the TPR for the applicable BTW training. Where required, range and public-road BTW training must be completed through the same provider.

Our service is online-only ELDT theory instruction. No Texas Department of Licensing and Regulation (TDLR) driver education or driving-school license and no Texas Workforce Commission (TWC) career-school certificate is required for online-only theory instruction, and we do not claim to be licensed, approved or accredited by TDLR, TWC or any state driving-school regulator.
